

COVID- 19 is in the news everywhere and we are closely monitoring the situation. Understandably, we are reaching out to assure you that you are safe at Lawrenceville Family Dental Care.

We already, as a daily practice, assure universal precautions as outlined by the CDC and OSHA standards of infection control. Safety is always our number one focus. Our high standards of care ensures your trust and and safety is never compromised.

We are taking extended measures to further protect all our patients and team with the following additional protocols:

- **In compliance with the recommendations for public health, anyone with a cough or fever will not be allowed in the building and should stay home. We will be happy to reschedule your appointment for a later date.**
- **Upon entering Lawrenceville Family Dental Care, you will be asked to sanitize your hands.**
- **At the beginning of every appointment, you will be asked to pre-rinse with Perio Guard. Perio Guard has anti-fungal, anti-bacterial and anti -viral properties.**
- **Additionally, we are requesting you sanitize your hands before re-entering the business areas**

You can be assured safety measures at L.F.D.C will continue to evolve as more information develops.

Stay well, hydrate, eat nutritious foods and get plenty of sleep.

We look Foward to serving you.

Dr.Ashish Patel D.D.S and the team at Lawrenceville Family Dental Care
